# IDEA GENERATOR

## Yes, Women Are Now Equal To Men.

- Many governments have both male and female representatives.
- Many companies are now owned or managed by women.
- A lot of progress has been made since the 1960s.
- Television series now portray women as successful career makers.
- Men now share in the raising of children and household responsibilities.
- Many important laws have been passed to ensure equality in the workplace.
- In many places, a married couple can choose whether the man or the woman takes leave from work to look after the newly arrived baby.
- People aren't discussing equality anymore. It has become a reality.
- Have you ever heard of Margaret Thatcher?

## Excuse Me? Women Still Have A Long Way to Go Before They Are Equal To Men.

- Women still earn less than men in many work situations.
- Women are still portrayed in a superficial manner in many television shows.
- Most governments still are made up in their majority of men.
- Women are often not given enough responsibility based on the possibility that they might become pregnant.
- The number of sexual harassment suits has increased over the past 10 years.

## See for example:

**Person A:** "In my opinion, I believe that men and women are equal at last since many important laws have been already passed to ensure equality in the workplace".

**Person B:** "I strongly disagree with the proposition since I believe that women still earn less than men in many work situations".
